I have read and understand the following:

Copy of child's birth certificate to be supplied with the application.
Payments are payable strictly in advance by the 2nd of each month.
One-month notice must be given for a child who intend leaving the centre and is payable even if the child does not attend for the notice month.
On two months arrears we will suspend the service until payments are settled.
Late payments will be liable for a fine of R30 to cover administrative costs. Arrear accounts are handed over.
November and December are NOT considered notice months and are fully payable whether your child is on holiday or not. This is a legal 12-month contract.
I understand and commit to properly read all the guidelines that will be provided to me once I paid my R400 registration fee.
As a mother, I will familiarize myself with the medication administration law as determined by the Department.
